Materials for this will need to be funded by the Parish Council and costs such as this were included in the 												

Council's budget for the project. This is to be added to the agenda for the next Parish Council meeting.

- Following heavy rains in the area, flooding again endangered properties locally and HBC street sweepers were deployed very quickly to deal with the issue. Cllr Watson asked the Clerk to thank HBC again for their response.
- Cllr Milnes notified the committee of recent criminal activity (thefts) in the locality.
